A message from leadership

Dear Friends,

Welcome to our annual report! As Chair and Vice Chair of the Board, we're excited to share the incredible progress we've made this year, a testament to the powerful partnership we share with each of you.

We want to express our appreciation for the leadership of our fellow Board members. Their dedication and commitment to Arroyo Grande Community Hospital Foundation are truly inspiring, and we're honored to work alongside them.

But it's your vision, our donors, that truly fuels our mission. Your generosity is making the Excellence Campaign a reality, bringing vital upgrades like advanced imaging technology and private patient rooms to our hospital. These improvements are more than just better facilities; they are about providing the best possible care for every member of our community, ensuring a higher standard of health and well-being for all.

Our annual report showcases the impact we can create when we come together with a shared purpose. Thank you for believing in our mission and for helping us achieve these goals. We look forward to building on this momentum in the year ahead.

In gratitude,

Rob Railsback

Your Support Matters

Running a hospital isn't simple—and here's why:

- We are there for you when you need us, 24/7
- We maintain a highly skilled staff and recruit top notch physicians
- Equipment is extremely expensive to purchase and highly technical to maintain
- Margins are very thin and all returns are reinvested into the buildings and equipment

That's why community support matters so much. Your donations help fill the gaps and ensure our hospital has the best technology, programs, and services.

Think about it this way:

- That new piece of life-saving equipment? Your donations helped pay for it.
- The expanded health programs that serve our friends, family and neighbors? You made that happen.
- New private, upgraded patient rooms? We can't make that happen without you.

The best part: Every dollar you give stays local. No administrative fees are taken out of your donation. All of your money goes directly to the program you choose—helping our patients, doctors, and staff through hospital programs.

Your Community, Your Health Care

At Arroyo Grande Community Hospital, our sole aim is to provide exceptional care. As a not-for-profit, every dollar is reinvested into essential services for the Five Cities. We have no shareholders—only a deep commitment to your health.

With thin profit margins, philanthropy is vital to maintaining and improving our hospital. Donations allow us to purchase advanced technology, update facilities, expand programs, and enhance services. This direct support saves lives, provides comfort, and ensures that our doctors, nurses and clinical staff have the tools they need to deliver outstanding care.

Your donations help fund vital improvements like new technology, updated infrastructure, expanded programs, and enhanced services—all of which directly benefit our patients, staff, and the broader community. Every dollar donated stays local, supporting your friends, neighbors, and families and ensuring that everyone has access to the care they deserve.

Thank you for being part of the Arroyo Grande Community Hospital family. Your generosity and support mean the world to us—and to the patients whose lives you help improve every day.

Together, we uplift the health of our entire community.

Carolyn and Dr. Peter Thom

Hope in Action: Changing Lives Through Community Support

Every year, our community unites to strengthen Arroyo Grande Community Hospital and Mission Hope Cancer Center, ensuring that patients receive local care that reaches beyond hospital walls. Whether volunteering, donating, or sharing our message, your support fosters a deeper type of healing—one that transcends medical treatment and nurtures the mind, body, and spirit.

Thanks to generous donations, patients receive more than oncology and infusion services at Mission Hope Cancer Center - Arroyo Grande. Patients have access to comprehensive cancer care services, including the support of a dedicated nurse navigator, a registered dietitian, and a counselor. Donors also

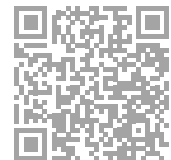

help fund transportation to treatment, ensuring no one misses a vital appointment, and support an appearance center where patients can renew their self-confidence. Once treatments are complete, patients can participate in an on-site exercise rehabilitation program to help regain strength and mobility. Together, these resources create a compassionate, accessible, patient-centered environment.

Among those who have experienced our transformative care are local residents Carolyn and Dr. Peter Thom, whose story demonstrates the power of a compassionate community. Carolyn has bravely confronted cancer three times, while Peter was

diagnosed during his medical career as a cardiologist. Throughout their journeys, they have encountered expert local treatment and care that also honored their personal dignity and emotional health. According to Carolyn, who has taken advantage of several Mission Hope programs, “I’ve received help with things like make-up, hair, and head coverings. Just making myself look better so I can feel better—that’s been really helpful.” Dr. Thom adds, “I’m especially pleased that she’s going through the rehabilitation program – that she’s trying to maintain her strength. It’s one of the things you lose when you are ill, and that plays a role in how well you recover.” Their gratitude underscores how meaningful these services can be in restoring hope and resilience.

It is thanks to the generosity of our community that Mission Hope Cancer Center is able to offer these individualized treatments and supportive programs. However, there is still more we can do. Your donations directly expand our capacity to serve every patient who walks through our doors, making access to vital health-care services and state-of-the-art equipment within reach of anyone who lives in our community. If you would like to help sustain this vision of healing and wholeness, please visit supportarroyogrande.org/cancer-care-fund to make a contribution or learn more.

Local Care Makes a Difference

On June 12, Scott Shepard underwent a total shoulder replacement. One week later, during a follow-up visit, a physician assistant noticed swelling in his arm and became concerned it could be a blood clot. She recommended he go to the emergency department, which led Scott and his wife to Arroyo Grande Community Hospital.

Arriving in the early morning, Scott was seen quickly by welcoming hospital staff. Within minutes, he was escorted into a room, vitals taken, and an ultrasound underway. The test ruled out a clot, but what Scott remembered most wasn't the result, it was the way Tom, the ultrasound technician, carried himself. "You could just tell

he thoroughly enjoyed his work... I love to see that he was passionate about what he did." Scott made a special note to express how he felt when Tom gave him his undivided attention and did not treat him as just another number while going about his day.

"Having a hospital in your community that you trust — one that cares enough to keep upgrading — gives you confidence."

— Scott Shepard

Midway through Scott's visit, Sarah, a nurse on staff, was going through routine checks and noticed

his heart rate was elevated and there were signs of atrial fibrillation (AFib). Though he'd had mild AFib in the past, it was serious that day and the nurse spotted it. Sarah insisted he follow up with a cardiologist before leaving, and Scott recalls, "She was really concerned about my AFib heart rate situation... she really emphasized the seriousness of the situation and stressed the importance of following up with my cardiologist."

This outright passion for their work and attention to the little details that extended beyond the immediate reason for his visit, was something Scott said he truly appreciated. By the time Dr. Armstrong rounded before discharge, Scott already felt he'd been cared for as a whole person, not just a patient chart.

On his overall experience, Scott shared, "The thing that stuck out with me is that the people there were genuine. They cared about you. And it wasn't like, 'Okay, next.'" That level of commitment to the well-being of each patient's unique needs is something Arroyo Grande Community Hospital prides itself on. We want each of our patients, as Scott was, to be deeply impressed by the thorough attention, kindness, and care received at every step.

(continued on page 9)

Grateful patient Scott Shepard

Why the Local Hospital Matters

This wasn't Scott's first visit with Arroyo Grande Community Hospital. In 2016, he underwent hip replacement surgery here, and over the years, both he and his family have visited for various medical needs. Having that continuity and trust matters deeply to him.

He emphasizes that a hospital near home isn't just convenient; it can literally be life-saving when timing is critical. Scott explains, "Having a hospital in your community that you trust — one that cares enough to keep upgrading — gives you confidence. When people donate, it's not just equipment, it's pride and self-reliance."

Donations also allow Arroyo Grande Community Hospital to maintain state-of-the-art equipment and retain patients locally, rather than requiring them to travel far for care. "If we can donate and stay up with the state-of-the-art equipment, and keep the people here... instead of having to go out of town, it's just a good feeling," Scott says.

A Call to Support

Scott generously participated in this interview because he felt the need to highlight how meaningful good care can be.

His story serves as a potent reminder: gratitude from patients isn't just affirmation of good work; it helps build trust, encourages others to seek care, and strengthens the bonds between hospital and community.

If you've ever considered supporting Arroyo Grande Community Hospital through a donation or volunteer effort, stories like Scott's show exactly why it matters. Your gift helps sustain not only advanced equipment and excellent staff, it helps preserve a place where patients are seen, heard, and treated with dignity.

Make a Will, Make an Impact

We believe that humankindness means advancing care for the whole person. That care goes beyond hospital walls and into the daily lives of our donors, employees, and community members, helping them plan not just for today, but for the future.

You may be surprised to learn that 71% of Americans don't have a will or trust, which can leave families unprepared and unprotected. The probate process alone can take up to 18 months and may cost as much as 10% of an estate's value. That's why we've partnered with FreeWill to offer a new, no-cost resource to help you create or update your will in a simple, secure way.

Having a will gives you peace of mind and ensures your wishes are honored and your loved ones are cared for. Whether you're just getting started or revisiting your plans, this tool makes the process easy and accessible. We're proud to share this service with our community as part of our ongoing commitment to care for the whole person—body, mind, and spirit.

For more information about creating or updating your will or trust, please visit our website.

Our Giving Societies

Uniting for a Healthier Future

We are proud to spotlight our two giving societies, whose collective generosity has transformed Arroyo Grande Community Hospital. Since forming in 2018, the Hoelle Tompkins Sisterhood Society has raised more than \$427,000, furnishing specialty rooms, introducing state-of-the-art ultrasound equipment in the Emergency Department, and offering relief during the COVID-19 pandemic. Their funds helped secure an on-site mental health evaluation team worker, supported the purchase of 3D mammography and biopsy technology, and most recently helped to fund a comprehensive fluoroscopy suite to address many imaging needs. Founded in 2019, the Carrol Pruett Philanthropic Fraternity has similarly achieved remarkable success, donating more than \$260,000 to strengthen the hospital. Their contributions include providing funding for the same on-site mental health worker, investing in specialized operating-room equipment and advanced technology for the Acute Rehabilitation Center, and collaborating on the new fluoroscopy suite.

What sets our Sisterhood and Fraternity apart is how members help shape the hospital's future. Each group meets periodically to learn about programs and vote on which hospital initiatives will receive financial support. These gatherings not only showcase the hospital's most pressing needs but also create meaningful connections among members, physicians, and hospital leadership. Along the way, fellowship thrives, ensuring that while members are investing in lifesaving care, they are also building a vibrant community. We invite you to join either the Hoelle Tompkins Sisterhood Society or the Carrol Pruett Philanthropic Fraternity with an annual gift of \$1,000. For more information, or to join one of these societies, please visit our website. We look forward to welcoming you.

Comedy Night

Comedy in the Country

Comedy Night on May 31, 2025, at Thousand Hills Ranch was a huge success. We laughed, we danced, and thanks to your incredible generosity, we raised over \$260,000 for the Excellence Campaign at Arroyo Grande Community Hospital! From dueling pianos to lively bidding and great company all around, Comedy Night was an absolute blast.

Event Sponsor: Vituity

Premier Sponsor: The Medical Staff of Marian Regional Medical Center

Supporting Sponsor: Mechanics Bank

Between dancing chicken balloons and dueling pianos, guests enjoyed the country atmosphere and endless laughter.

Day of Hope

August 27, 2025

Arroyo Grande Community Hospital joined Marian Regional Medical Center, in partnership with the Santa Maria Times, to present the **Day of Hope** on Wednesday, August 27, 2025. In our second year, Day of Hope raised over \$65,000, which directly supports cancer patients at Mission Hope Cancer Center in Arroyo Grande, nearly doubling our fundraising from last year. The day was filled with activity, including 14 enthusiastic teams selling newspapers across the Five Cities and several local businesses also supporting the cause.

While the main fundraising event took place on August 27th, the excitement began even earlier with the inaugural **Day of Hope Car Show**, presented by Critics Car Club, on Saturday, August 23rd. This exciting new addition served as a pre-event, with all entry fees and proceeds from the car show directly supporting Mission Hope Cancer Center in Arroyo Grande. Funds raised from both events will help fund vital equipment and technology, patient assistance needs, and local cancer programs and services, with the promise that every dollar raised stays in our community.

It was inspiring to see the support for this important cause and we look forward to growing Day of Hope and the Day of Hope Car Show in the future.
