A message from our leadership

Jennifer Leininger
Foundation Board Vice Chair

Kimberly Goodwin
Foundation Board Chair

First and foremost, we would like to thank our community for standing by us as we've navigated through the COVID-19 pandemic. We have been blessed to witness an outpouring of support shown through PPE donations, gifts and meals for our hospital staff and health care heroes, and monetary support that helps keep our hospital equipped for anything to come.

In the following pages, you will learn about how that support has sustained our programs and services, as well as our plans for the future. We are so excited to continue moving forward into our "new normal," which we hope will closely resemble the normal we once knew. We are grateful that our wonderful volunteers have returned, and that visitors can once again comfort their loved ones during their hospital stay.

We're proud of our physicians, nurses, and hospital staff who have worked so hard to keep our community safe, and we're proud and grateful for you – our community – for all you've done to support us along the way.

In gratitude,

Kimberly Goodwin

Surgical services campaign

Elisa Ruiz celebrating with her family at an Arroyo Grande Community Hospital Foundation event, where she delivered a keynote speech.

Arroyo Grande Community Hospital provides safety and healing for local residents and visitors when they're at their most vulnerable. For patients undergoing surgery, receiving comfortable, quality care is especially important.

Elisa Ruiz, an Arroyo Grande Community Hospital Foundation Board member, is a mother of eight and a breast cancer warrior. She has been in the care of the surgical team at Arroyo Grande Community Hospital several times, and she shared, "Their warm smiles, consistent check-ins and quick feedback always create a very calm, anxiety-free environment."

Recently, her 15 year-old daughter, Emma, was rushed to the Emergency Department, where it was discovered that she needed surgery for appendicitis. Elisa knew that her daughter was in good hands. She recalled, "An appendectomy was performed, and everything was done in a timely manner. Most importantly, my daughter's pain was put at ease. When we returned home, she asked, 'Can I go back to the hospital?' She missed the help and comfort from the staff."

Elisa and her family are among many who have experienced this excellent care. When David Maislen, a local beekeeper and organic grower, required a knee replacement, he said, "I felt very comfortable; very much at

home. It was a peaceful atmosphere, and it was very reassuring. The staff was extremely pleasant, friendly, and attentive; and the care was really outstanding. It was a wonderful experience. The result was pretty incredible, too – hardly a scar!"

While Elisa, David, and countless others in the community have experienced the outstanding care provided by the surgical team at Arroyo Grande Community Hospital, several upgrades are needed to elevate the infrastructure around them. Arroyo Grande Community Hospital Foundation is partnering with the community to raise \$1.5 M to make these upgrades possible.

As both a grateful patient and a board member, Elisa perfectly summarized the importance of the Surgical Services campaign. She said, "I am forever indebted to the care my family and I have received, and will continue to receive. I am happy to support the Surgical Services campaign, so that the surgical environment will match the excellent level of care provided by the team."

David added, "You know, a hospital is not a place that you really want to be, but it's wonderful to have a high quality hospital to go to when you have to. Everybody should share in the giving to make sure that we have the most up-to-date equipment that we could possibly have close by."

David Maislen smiling while recalling his surgical experience at Arroyo Grande Community Hospital. Watch David and Elisa share their stories at SupportArroyoGrande.org/Surgical-Services-Patient-Stories

You can learn more about the Surgical Services campaign at SupportArroyoGrande.org/Surgical-Services or calling the Foundation at (805) 994-5421.

Upgrades

that will be made as a result of the Surgical Services Campaign include:

Advanced technology - endoscopes, surgical and laparoscopic towers, mini C-arm, electrosurgical tools, orthopedic specialty equipment, and urology equipment

Functionality & Safety – improved sterilization technology, dedicated space for pre-operative screening, reconfigured storage

Environment – new flooring, ceiling art, tables, and specialty lighting

New Programs – same-day discharge for orthopedic procedures, emergent urology and GI procedures

Education – advanced educational opportunities for staff

A place of respite

A hospital chapel provides a peaceful environment, closed off from the constant hustle and bustle of a care facility. Such an environment is vital for those facing crises such as illness, trauma, or loss. The chapel at Arroyo Grande Community Hospital (AGCH) is open to all in need of respite, regardless of personal beliefs. The space will soon be modernized to serve as a more effective and relaxing atmosphere with adjustable lighting, comfortable seating, art, fresh paint, music and multi-denominational functionality.

If you would like to help support upgrades to the chapel, you can make a gift to the Spiritual Care Services Fund at SupportArroyoGrande.org or call the Foundation at (805) 994-5421.

Your cancer center

Julie Coleman providing individual instruction during a Pilates class for the Cancer Rehabilitation Program.

Mission Hope Cancer Center, Arroyo Grande

Mission Hope Cancer Center, Arroyo Grande serves local cancer patients with the highest quality of care, magnified by the exceptional programs funded through community support.

One of the extraordinary services offered to patients at Mission Hope Cancer Center, Arroyo Grande is the Cancer Rehabilitation Program, which began in January of 2021. The program helps each patient safely implement healthy lifestyle behaviors into their daily routine, reducing the chance of cancer recurrence and improving many side effects of treatment. The program has already provided over 500 classes.

When former Foundation Board Chair Julie Coleman and her fellow instructors at Pure Pilates were approached about teaching a Pilates class for the program, they did not hesitate. Julie said, “It’s wonderful to see the resilience of these patients. Every one of them has such an amazing attitude, even while going through what I imagine is the hardest challenge of their lives. We all have been humbled and so impressed by it. They are willing and excited to maintain their health and fitness. It’s so great to have the Cancer Rehabilitation Program to help them achieve their goals.”

She continued, “Our staff at Pure Pilates feel very blessed to be able to provide this service to these patients, our hospital and the community at large. It’s been a privilege.”

Mission Hope Cancer Center, Arroyo Grande provides additional services for local cancer patients through the Cancer Care Fund and Transport to Treatment Program. From July 1, 2020 through June 30, 2021, patients were served in the following ways:

- 75 Gas Cards
- 46 Grocery Cards
- 24 Supported with Financial Assistance
- 18 Psychosocial Counseling Sessions
- 21 Genetic Counseling Sessions
- 15 Colonoscopy Screenings
- 76 Nutritional Counseling Sessions
- 455 Transports to Treatment
- 0 Cancer Support Groups (on hold during pandemic)

If you would like to help ensure these services continue to be available for local cancer patients, please visit SupportArroyoGrande.org/Mission-Hope-Arroyo-Grande or call the Foundation at (805) 994-5421.

Behavioral health services

Resources for those suffering behavioral health conditions are insufficient on both a national and local level, and the COVID-19 pandemic has accelerated the increase of behavioral health conditions in all age groups. The lack of sufficient mental health services forces many behavioral health patients in crisis to seek care in the Emergency Department, where they must be evaluated by a Mental Health Evaluation Team (MHET) worker before being released or transferred to an appropriate facility.

Historically, the few shared MHET workers contracted through the County were located in the city of San Luis Obispo, served all four of the County's hospitals, and it could take several hours for them to arrive at the hospital for patient evaluations. In 2019, Arroyo Grande Community Hospital Foundation began raising funds to provide an on-site MHET worker through the Behavioral Health Services Fund. The on-site MHET worker was the Carrol Pruett Philanthropic Fraternity giving society's beneficiary project in 2019, and the project has received \$100,000 in grant funding from the State of California.

Having an on-site MHET worker has been incredibly beneficial in providing immediate mental health evaluations, enabling behavioral health patients to

receive the most appropriate care in an efficient manner and facilitating the rapid transfer of patients to the appropriate care setting. Continued support of the Behavioral Health Services Fund is crucial to ensuring the best possible care is available for all local behavioral health patients.

Rehabilitation after COVID-19

The 20-bed Acute Rehabilitation Center is the only one of its kind within a 100-mile radius. It offers a wide range of inpatient therapy services to help patients on the road to recovery after a life-changing event or illness.

As the only facility of its kind between Salinas and Santa Barbara, the Acute Rehabilitation Center is a valuable asset for Central Coast residents. It provides a hospital-based, comprehensive and robust program for patients recovering from serious illnesses or injuries such as stroke, brain injury, amputation, and spinal cord injury. Recently, it has expanded its services to treat non-infectious patients recovering from COVID-19 symptoms.

While many infected with COVID-19 face a difficult path to recovery, the Acute Rehabilitation Center is here to help them return to the best possible quality of life. If you would like to help support the therapies and technology available at the Acute Rehabilitation Center, please visit SupportArroyoGrande.org/Acute-Rehabilitation-Center or call the Foundation at (805) 994-5421.

COVID-19 can cause respiratory, cognitive, cardiovascular, or mental health issues; fatigue; pain; or loss of taste and smell. These symptoms are often debilitating and can affect the patient's ability to work, care for family, and live comfortably.

Often the symptoms are similar to those seen in stroke, brain injury, cardiac, pulmonary or neurological patients. The physicians, nurses, and physical, occupational, speech, and recreational therapists at the Acute Rehabilitation Center use an interdisciplinary rehabilitation model to help individuals who have disability after COVID-19 rebuild their lives.

Employee giving

Arroyo Grande Community Hospital (AGCH) employees are fortunate to work in a tight-knit community - a circle of friends who truly care for each other. Through employee giving, employees are empowered to contribute to their nonprofit hospital's vision of delivering the highest quality, compassionate, affordable care.

Many employees are members of the Hour of Power, contributing one hour of their pay each pay period. Stephanie Hughey, RN, House Supervisor and Assistant Nurse Manager, has been an Hour of Power member for several years. She said, "I view the hospital as my home away from home, and I want to help take care of my coworkers and neighbors to make sure we have the best equipment and best facility. I started my AGCH career in the Emergency Department in 2004, and it's been incredible to see how donations have improved the facility as a whole. It benefits everyone - employees and the community! I love how easy it is to give through the Hour of Power! It's just taken out little by little from my paycheck, I don't miss it at all, and it's so nice to be able to see the results."

Mary Estephan, Lead RN, Ambulatory Surgery, is another longtime Hour of Power member. She said, "Over the last 10 years that I've worked at AGCH, I have seen the benefits of giving to our community hospital. We recently were able to purchase an ultrasound bladder scanner for our department because of donations to the Foundation. This will assist us in diminishing the risk of getting a bladder injury after surgery. With the financial support the Foundation offers, our small hospital can strive to have the best current technical equipment. This supports the health and wellbeing of all those that live in and visit our community. What better way to improve our working conditions than to give in a positive and meaningful way to ourselves so that we can care for others?"

Stephanie, Mary, and many other employees who consistently give demonstrate their commitment to the future of AGCH and the wellbeing of the community. Since 2007, employees have contributed over \$800,000 to support and strengthen their workplace and fellow employees!

Giving Societies

Anyone can have a strong voice in the programs and services offered at Arroyo Grande Community Hospital by joining a philanthropic giving society. Each year, the Hoelle Tompkins Sisterhood Society and the Carrol Pruett Philanthropic Fraternity gather to hear several presentations from hospital and clinical leadership. At the end of the year, members vote to select a project to receive 100% of their annual \$1,000 membership gifts, which is announced at a year-end celebration event. In 2020, the beneficiary project for the Hoelle Tompkins Sisterhood Society was Emergency Support for COVID-19, and the beneficiary project for the Carrol Pruett Philanthropic Fraternity was surgical OR equipment.

In 2020 and early 2021, the groups met via Zoom to view their presentations. Members are looking forward to meeting in person again at fun social events. If you would like to join a philanthropic giving society, visit SupportArroyoGrande.org/Giving-Societies or call (805) 994-5419.

Healing the most vulnerable

Illnesses requiring emergent care or hospitalization disproportionately affect the underserved in our community. The added stress of financial limitations such as a lack of housing, unsuitable living environment, inability to afford transportation, or lack of basic personal necessities such as clothing, hinders the healing process. Through the Patient Assistance Fund, the most vulnerable patients are offered the possibility for a better recovery.

Currently, the Patient Assistance Fund provides support with prescriptions, temporary shelter, transportation, and other items as needed to ensure a safe discharge and recovery for every patient. If you would like to help support the most vulnerable patients, you can make a gift to the Patient Assistance Fund at SupportArroyoGrande.org.

"People come into the hospital with increasing complexities that require out-of-the-box thinking to secure a safe discharge. We are able to fulfill Dignity Health's commitment to serving the underserved and meeting the needs of our most vulnerable"
- Amelia Grover, LCSW, Manager of Social Work, Care Coordination Department of Social Work, Care Coordination Department

Events

Each year, friends and supporters gather at Arroyo Grande Community Hospital Foundation events to benefit the hospital's most vital programs and services. Unfortunately, in 2020, the COVID-19 pandemic led to the cancelation of two community favorites: Comedy Night and Golf n' Grub.

The Foundation is excited to announce the following event updates:

Comedy Night

Comedy Night was held virtually in 2021, and raised nearly \$100,000 to benefit the Surgical Services campaign! The Foundation is excited to plan for an in-person event on March 12, 2022, so keep an eye out for more details at SupportArroyoGrande.org!

Golf n' Grub

The Foundation is delighted to bring Golf n' Grub back in 2021, following safety protocols in an outdoor setting. Golf n' Grub is postponed to Friday, November 12 at the Cypress Ridge Golf Course. This year, Golf n' Grub will benefit the Surgical Services campaign. The Foundation is already starting to plan for Golf n' Grub 2022!

Call-a-thon

The nature of the Call-a-thon allowed it to continue under a revised format in 2020, as participants made their phone calls from home. With special thanks to Henry Myers with the Kon Tiki Inn, who matched \$100,000 of event proceeds, the event raised over \$225,000 for the Surgical Services campaign! Stay tuned for details about the 2021 Call-a-thon, coming to you in December!
