

2019-2020 Annual Impact Report

Thank you for all you do for our community!

As we reflect on the past year, we realize that, more than ever, we couldn't provide the compassionate, high quality care that we are committed to without the support of our community. We are overwhelmingly grateful for your kindness and support during the past year; especially for all of the ways in which you have expressed gratitude to our frontline caregivers during this challenging pandemic.

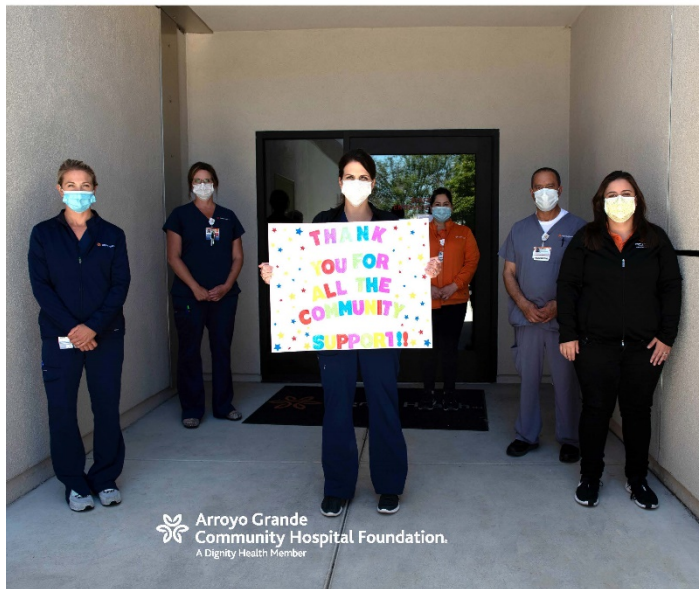

Because of you, Arroyo Grande Community Hospital raised over \$977,000 in 2019-2020. There is an act of kindness behind each and every one of those dollars that we hope to honor in this annual impact report.

[View our Annual Impact Report to see the programs and services made possible by your support.](#)

In this impact report you'll hear from some of our healthcare team about how they've managed to navigate the pandemic, and you will see how your contributions allow the hospital to quickly address emerging needs and ensure care to the people who call our community home.
