2021 Community Support Campaign

DEADLINE EXTENDED

GIVE NOW

"This hospital has a lot to offer, and potential for growth. New, innovative equipment will benefit the doctors, staff and community. In my 38 years of experience, I have seen how much of a difference it can make!"
- Herman Alvarado, OR Technician

The deadline for our 2021 Community Support Campaign has been extended to May 31!

If you've already made a gift to support the 2021 Community Support Campaign, please accept our deepest gratitude. If you haven't yet had the chance, please consider making a gift now!

The past year has taught us the importance of remaining on high alert at all times - equipped to respond to whatever may come. At Arroyo Grande Community Hospital, we strive to always be prepared.

Our amazing doctors, nurses and care teams bring a wealth of knowledge and expertise to treat sick or injured patients in need of care, and they carry out critical procedures every single day. With your help, we can elevate the infrastructure around them to match the lifesaving work they do.
