**Give thanks to  
the nurses who  
have given so much.**

## **Join us in celebrating International Nurses Day!**

Today, as Nurses Week culminates in International Nurses Day, we would like to recognize the incredible nurses at Arroyo Grande Community Hospital. You can share the gratitude you have toward your nurse by letting them know how their work has made a difference in your life, and you can help us continue to provide excellent care delivered with compassion.

Join Arroyo Grande Community Hospital Foundation as we recognize the nurses who commit themselves to caring for their patients with technical skill, empathy and kindness.

[Honor your nurse and show your gratitude.](#)
