## Cancer Care that goes above and beyond.

With community support, the [Cancer Care Fund](#) provides local cancer patients and survivors with their immediate basic needs to remove unnecessary stress that could inhibit recovery. This includes gas and grocery gift cards, childcare, transportation, assistance with rent or utilities, screenings, cancer support groups, counseling, and a nurse navigator to support each patient throughout recovery.

You can help, too! Visit [supportarroyogrande.org](http://supportarroyogrande.org) to learn how you can join our efforts in providing financial and emotional support to local cancer patients.

# GOLF N' GRUB

We would like to thank everyone who participated in this year's Golf n' Grub tournament! The event raised over \$89,000 to support the [Legacy Campaign](#), a fundraising effort to expand and improve critical areas of the hospital, including the Emergency Department, Acute Rehabilitation, Imaging Services, and On-Site Oncology Services. Thank you all for your support!
