Community Hospital Foundation.
A Dignity Health Member

Are you curious about the construction behind the hospital?

The Matthew Will Memorial Medical Center is being built to house expanded cancer care services, outpatient imaging technology and physician offices. These additional services will be made possible by community support of the [Legacy Campaign](#), an effort to update critical areas of the hospital, expand patient care capacity and implement new medical technology. Learn more [here](#).

You can help us provide these important services for our community by making a gift to support the [Legacy Campaign](#) today.
