The Community Partners Million \$ Challenge

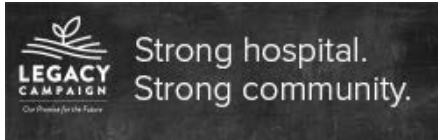

Nick Tompkins, Gary Grossman, Noreen Martin, and Andy Mangano have joined together to give an amazing gift to our community – they are matching dollar for dollar every contribution to the [Legacy Campaign](#) at Arroyo Grande Community Hospital up to \$1,000,000! Because of this challenge, your gift will go twice as far right now.

When you make a contribution, you are investing in so much more than a hospital – you're investing in our community. Your donations will help us continue to keep pace with the latest advancements in medicine and the evolving needs of our community.

We're grateful for their support, and yours.
