**Together, we are making a difference.**

September and October are major cancer awareness months that remind us just how many of our friends, family, and neighbors are affected by cancer. We want to do all we can to help. The Cancer Care Fund provides local cancer patients and survivors with the financial and emotional assistance they need to remove unnecessary stress that could diminish their health. In the past year, \$119,450 was used to serve a total of 424 patients as follows with donations to the Cancer Care Fund:

- **159 Gas Cards**
- **31 Grocery Cards**

- **69 in Financial Assistance**
- **77 in Cancer Support Groups**
- **43 Psychosocial Counseling Sessions**
- **39 Genetic Counseling Sessions**
- **6 Colonoscopy Screenings**

The fund also supports an oncology nurse navigator and social worker to guide each patient from diagnosis throughout recovery and connect them with any resources they need.

Soon, additional cancer care services will be offered at our hospital campus in the Coastal Cancer Care Center, expected to open in early 2019 due to community support of the Legacy Campaign. This will mean an even greater need for the services provided by the Cancer Care Fund. [Click here](#) if you would like to make a gift to directly support local cancer patients.
