Need a fresh gift idea?

For a lasting gift that keeps giving, we've got you covered!

Buy an engraved brick in our Legacy Garden in honor of your loved one, and your gift will benefit patients for years to come. All naming opportunities in the Legacy Garden benefit the Legacy Campaign, which includes expansion of the Emergency Department, Acute Rehabilitation Center enhancements, advanced imaging technology, and expanded cancer care services.

Other gift possibilities in the Legacy Garden include trees, benches, and engraved stainless steel panels on art installations. The garden is located by the front entrance of the hospital and offers patients and their families a quiet place of respite.
