Thank you for a wonderful year!

We have witnessed a great deal of *humankindness* this year, as many have given to support those in our community suffering illnesses and injuries. During this holiday season, if you would like to help us continue in our mission of providing compassionate, high-quality, affordable health services for our community, please consider one of our current programs in need below.

We wish you a happy and healthy holiday season, and a Happy New Year!

**As the year comes to an end, we would like to remind you that all year-end gifts must be submitted before December 31st to count in your 2018 taxes.*
