JANUARY 2019

[VISIT OUR WEB SITE](#)

2019 is going to be a great year! Here's what we're looking forward to:

With your help, we hope to wrap up our Legacy Campaign this year! The close of the campaign will bring some wonderful transformations to our hospital that will help us provide the best possible care for our community.

The Emergency Department expansion and renovation of existing space is underway! Nine new patient rooms, increased comfort and efficiency will meet our community's needs for decades. If you'd like to get involved in helping us expedite

With your help, we're...

enhancing
Acute
Rehab

The Acute Rehabilitation Center has begun implementing new therapy programs and is looking forward to much more, especially the wearable robotic exoskeleton. Patients that have suffered an illness or injury leaving them unable to walk on their own will be able to practice the mobility, posture, and balance-awareness skills needed to walk. With your help, we're...

advancing our
imaging
technology

Our new diagnostic imaging center in the Matthew Will Memorial Medical Center will house a CT scanner, X-ray machine, ultrasound and bone density (Dexa) scanner and laboratory services, efficiently serving expanding hospital needs and outpatients alike! A new MRI scanner will also provide increased comfort and

The expanded cancer care services to be offered in the Matthew Will Memorial Medical Center will be focused on treatment, recovery, and education offered by a team of oncologists, a nurse navigator, dietician, social worker, and pharmacist. As a nonprofit community hospital, philanthropic support is vital to our ability to provide these important updates in an expedited manner. Over \$5.5 million has already been raised with our community's support to help make these improvements a reality. With a total fundraising goal of \$6.5 million, we have less than \$1 million left to raise! With your support, 2019 will be a historic year for Arroyo Grande Community Hospital!
