**Things
You
Should
Know**

Have you seen our new Legacy Garden?

We recently installed a beautiful new garden right outside the main entrance doors of the hospital. The Legacy Garden features engraved stainless steel and bronze art installations, memory bricks, trees, and benches.

This is your chance to leave your own Legacy at our hospital!

Each Legacy Garden feature provides a naming opportunity between \$250 and \$10,000 to benefit the Legacy Campaign - a hospital improvement project to expand the Emergency Department, upgrade diagnostic imaging technology, and enhance Acute Rehabilitation Center services. Support these transformations while leaving a lasting message in our Legacy Garden for all to see!

Come and see why Arroyo Grande Community Hospital received the February Beautification Award from the Arroyo Grande & Grover Beach Chamber of Commerce!

To learn more about the different naming opportunities in the Legacy Garden, visit supportarroyogrande.org/legacy-garden or call the Foundation

at (805)994-5419.
