Join our team of volunteers!

Are you looking for a meaningful way to serve the community alongside like-minded, friendly people? Are you able to commit to a three-hour shift at least once per week?

Join our wonderful team at Arroyo Grande Community Hospital! We have several volunteer opportunities including greeting and directing visitors, delivering items to patients, keeping inventory, working in the gift shop, providing groomed pets for the Pet Therapy program, and much more. Stop by the cafeteria before or after each shift for a free meal on us! [Click here](#) for more information and a volunteer application.

We are also looking for volunteers! If you know a high school student that is interested in the medical field or looking for a fun and educational way to complete their school's community service requirement, we have a wonderful opportunity for them. Teens that give at least 100

hours of service at the hospital are eligible to apply for a scholarship through our Volunteer Scholarship Fund during their Senior year. [Click here](#) for more information and a volunteer application.
