A thoughtful and lasting gift idea:

Happy Holidays! Are you having a hard time thinking of a gift for a loved one? Why not have their name or a message permanently displayed on an engraved brick in our Legacy Garden? Located directly in front of the hospital's main entrance, the Legacy Garden is a beautiful place to leave a meaningful tribute.

Your gift will not only be treasured by your loved one, but will also help ensure excellent care in our community now and for years to come. All Legacy Garden naming opportunities benefit the Legacy Campaign to update critical areas of the hospital, expand patient care capacity and implement new medical technology.
