MARCH 2020

[VISIT OUR WEB SITE](#)

During this uncertain time, we are here for you.

With the coronavirus on everyone's mind, we want to reassure you that Arroyo Grande Community Hospital is prepared to go above and beyond to deliver the care our community deserves during this unprecedented pandemic.

We care deeply about your health and well-being, and our physicians, nurses and caregivers are prepared and ready to keep our community safe. This is what they do on a daily basis, and they are thoroughly trained for these moments of crisis.

Today and always, our priority is to help provide vital resources to keep excellent, affordable health care accessible to all in need.

We hope you will join us in spreading humankindness during this difficult time by helping those you can. Whether picking up groceries for a neighbor or calling to check on an elderly friend, acts of humankindness can be critically important and make a significant difference to others. Please be safe and follow established public health guidelines for yourselves and your loved ones. You can call the Community COVID-19 Information Hotline at 805.332.8276 from 8:00am to 8:00pm to speak with a registered nurse about the virus. [View resources and learn more >](#)

While our dedicated and heroic staff brings compassionate care to our patients, Arroyo Grande Community Hospital Foundation is continuing our work to support their efforts. During these challenging times, we are reminded how much it means to our patients and caregivers to have supporters like you.

Our newly established [Emergency Support Fund](#) will provide necessary resources to support our physicians and nurses in caring for our patients at this critical moment. Now, more than ever, your gift of any size can make a huge impact on our efforts to combat this pandemic.

Stay safe. Be well. Please know we stand ready to serve you and together we will get through this.

With gratitude,

Sue Andersen
President & CEO

Ken Dalebout
Hospital Administrator

J. Trees Ritter, DO
Chief Medical Officer

Montisa Phelan Lopez
Vice President of Philanthropy

You can make a difference today by supporting the [Emergency Support Fund](#) which will provide necessary resources (supplies, staffing or equipment) to support our physicians and nurses in caring for our patients.
