This is the time for **humankindness**. Whether picking up groceries for a neighbor, calling to check on an elderly friend, or making a gift to support caretakers, acts of kindness can be critically important to make a significant difference to others.

We hope you will join us in spreading kindness during this difficult time by paying it forward. If you are one of our community members who can use your federal stimulus check to help others, please consider our [Emergency Support Fund](#). The fund assists the hospital's efforts to respond to the ongoing crisis. While our dedicated and heroic medical staff bring compassionate care to your community

members, [Arroyo Grande Community Hospital Foundation](#) is working to support their efforts.

Now, more than ever, your gift of any size will make a huge impact on our efforts to combat this pandemic. Please join us in sharing humankindness.
