#GivingTuesdayNow is a global day of giving and unity, taking place today - May 5, 2020 - as an emergency response to the unprecedented need caused by COVID-19.

Today we hope to drive an influx of generosity and support for communities and nonprofits working tirelessly to help in the face of this crisis. At a time when we are all experiencing the pandemic, generosity is what brings people of all races, faiths, and political views together across the globe. Generosity gives everyone power to make a positive change in the lives of others and is a fundamental value anyone can act on.

There are so many ways to participate in #GivingTuesdayNow. We ask that you consider supporting the ongoing need at Arroyo Grande Community Hospital by donating to the [Emergency Response Fund](#) to assist our overall response efforts.

Please share your participation in #GivingTuesdayNow on Facebook, Instagram, or your other social networks, using the hashtag and tagging us @SupportArroyoGrande and join us in building a conversation around community and generosity.

With gratitude,
