## This month, we celebrate those who have cared for us when we needed it most.

With National Nurses Week, National Hospital Week, and Mother's Day all in the same month, we can't help but feel overwhelmed with gratitude for the dedicated caregivers in our lives. Don't forget to thank the people who have made a difference in your life this month!

**National Nurses Week: May 6-12**

**National Hospital Week: May 7-13**

**Mother's Day: May 14**

Through our [Guardian Angel program](#), you, a friend, or family member can [make a donation here](#) to Arroyo Grande Community Hospital Foundation in honor of a special caregiver who made a difference during your stay. Each Guardian Angel will receive a notification of your gift in their honor, along with a custom-crafted lapel pin to wear proudly as a symbol of their outstanding care.

*"To care for those who once cared for us is one of the highest honors."*

-Tia Walker, Author of "The Inspired Caregiver"
