## Honor a loved one with a lasting gift.

You can honor the memory of a loved one, celebrate a milestone, or recognize a special caregiver with a personalized engraved brick in our beautiful Legacy Garden outside the main entrance of the hospital. Your gift will become a lasting symbol of hope for the future of health care in our community, as all proceeds benefit the Legacy Campaign at Arroyo Grande Community Hospital.

Bricks can be ordered online at [supportarroyogrande.org](http://supportarroyogrande.org) or by calling the Foundation at 805.994.5484

*The Legacy Campaign is a hospital improvement effort that includes four key areas: expanding Emergency Department capacity, upgrading imaging technology and services, enhancing Acute Rehabilitation services, and providing on-site oncology services.*

For more information about the Legacy Campaign or additional opportunities in the Legacy Garden, visit [supportarroyogrande.org](http://supportarroyogrande.org). Or, [click here](#) to go directly to the brick order form.
