**BEST WISHES FOR
A HAPPY AND HEALTHY NEW YEAR**

Thank you...

for all you do for Arroyo Grande Community Hospital and the community!

As we head into a new year, we reflect back on the complexities of 2020 and realize that, more than ever, we couldn't provide the compassionate, high quality care that we are committed to without the support of our community. We are exceedingly grateful for your kindness and support during the past year, especially for all of the ways in which you have expressed gratitude to our frontline caregivers during this challenging pandemic.

The support of our community and our donors allows us to bridge the gap between ordinary and exceptional medical care. Providing excellent health care for our community is our passion and it is a mission we simply couldn't accomplish without you.

From all of us at Arroyo Grande Community Hospital, thank you! We wish you and your loved ones a happy and healthy holiday season. Be well and stay safe.

With gratitude,
Sue
